2025 6th International Conference on Artificial Intelligence, Robotics, and Control

We are thrilled to extend a warm invitation to you for the 6th International Conference on Artificial Intelligence, Robotics, and Control (AIRC 2025), slated to unfold between May 7-9, 2025, at Georgia Southern University, located in Savannah, GA, USA.

AIRC 2025 aims to serve as a vibrant forum for scholars, researchers, and engineers to present groundbreaking research, share innovative ideas, and foster meaningful collaborations. We cordially encourage you to contribute your latest research to AIRC 2025. This is more than just an academic conference; it's an opportunity to engage with leading experts, strengthen interdisciplinary collaborations. We eagerly await your participation and are looking forward to seeing you in Savannah!

Call for Papers

Track I: Artificial Intelligence
* Advanced machine learning paradigms
* AI architectures and applications
